

December 2016

Dear PRSD Staff, Parents, Guardians, and Partner Groups,

As you all prepare for the holiday season, I want to thank each of you for all of the contributions that you have made to the success of Prairie Rose School Division and to the success of our learners. Together, as a divisional community, we are making a difference through the many experiences and opportunities that we provide for our students.

Thank you again, for all that you have done and will continue to do for the young people and their families that we serve in Prairie Rose School Division.

On behalf of the Board of Trustees and the PRSD senior administration team, I wish all PRSD employees, students, families, and partner groups, a happy and joyful season and may it follow you throughout the coming new year.

Terry M.J. Osiowy  
Superintendent/CEO
