

PRSD believes that principals have a professional obligation to continuously be involved in a professional growth process and to demonstrate that professional growth through a formal evaluation process.

Professional Growth Plans

The professional growth plan is an annual document that is designed to foster the principal's professional growth and effectiveness of instructional leadership to enhance student learning.

Professional growth plans are expected to focus on performance areas of school leadership as per PRSD job descriptions. These focus areas include:

- Promoting Public Education
- Promoting Shared Leadership
- Promoting Professional Practice
- Promoting the Development of Educational Culture and Climate
- Promoting Responsible Organization Leadership

Professional growth plans are also expected to demonstrate some relationship to the PRSD's strategic plan and divisional priorities.

Guidelines for professional growth plans are as follows:

- Principals will develop a professional growth plan each year.
- Principals will submit their professional growth plans to the Superintendent/CEO by October 15 with their submission of teacher professional growth plans.
- Principals will meet once each year with the Superintendent/CEO to review and report progress towards the stated goals by April 30th of each school year.

Purpose for Principal and Vice Principal Evaluations

Principal evaluations have three purposes:

- To develop and maintain the best possible learning environment in the school in relation to the educational goals and philosophies of Prairie Rose School Division
- To promote professional growth and to enhance instructional leadership and school administration skills
- To make decisions about continued administrative designation/appointment; reassignment/transfer, or termination of administrative assignment

Frequency of Evaluations

Supervision and evaluation of principals is an on-going process conducted by the Superintendent/CEO. Observations and recommendations may be shared with the principal both verbally and/or in writing.

Evaluations shall occur during the first year of administrative designation appointment and every fourth year thereafter, or as requested by the principal or Superintendent/CEO.

Evaluation Notification: Purpose and Procedures

Prior to the evaluation process, the Superintendent/CEO will meet with the principal to present the performance criteria and procedures, review the reporting template, and set tentative timelines.

Data Collection

Principal evaluations will be completed using a variety of data collection processes. These include:

- General observation of the principal
- Formal/informal conversations with the principal
- Review of annual professional growth plans, school instructional plans, and other school/divisional documents
- Review of information from other senior administration personnel

Evaluation Report

The evaluation report will be written utilizing a divisional template that references the following five main areas:

- Promoting Public Education
- Promoting Shared Leadership
- Promoting Professional Practice
- Promoting the Development of Educational Culture and Climate
- Promoting Responsible Organization Leadership

The evaluation report will also include commendations and recommendations and/or directions for growth and improvement.

At the conclusion of this report, Superintendent/CEO will declare one of the following:

- Continuation of the current administrative designation
- Continuation of evaluation – Focused Evaluation

Focused Evaluative Track

The Focused Evaluation Track will be designed to correct or improve unsatisfactory performance.

- Identification of specific areas of unsatisfactory performance; referencing the principal evaluation report
- Specific description of the improvements/s expected
- Identification of resources and supports available to the principal to assist in improving performance
- Identification of a reasonable time period for the principal to show sufficient improvement

At the conclusion of this report, Superintendent/CEO will declare one of the following:

- Continuation of the current administrative designation
- Termination of administrative designation

Principal Evaluation Appeal Process

Appeal process and timelines for the focused evaluation track report is set as follows:

- Principal shall first appeal to the Superintendent/CEO within one week of receiving his/her report.
- If the principal is not satisfied with the Superintendent/CEO's review, he/she may appeal to the Board within two weeks of concluding his/her appeal to the Superintendent/CEO.
