At the November 19, 2018, PRSD Board of Trustees' regular meeting, the Board approved four questions that will guide the PRSD Community Consultation conversations that have been scheduled for November/December 2018.

The PRSD Community Consultation questions are:

1. Are there programs, services or activities, or divisional initiatives we should maintain as a high priority during our budget development process?
2. Are there programs, services or activities, or divisional initiatives we should consider reducing or eliminating during our budget development process?
3. Are there some other efficiency measures or cost-saving ideas we should consider during our budget development process?
4. Over the past ten years, PRSD Grade 12 Provincial Exam results have been slightly above the provincial average for Applied Mathematics and Essentials Mathematics and below the provincial average for Pre-Calculus Mathematics and English Language Arts. What suggestions and/or recommendations do you have that would help improve these results?

Parents/guardians, parent councils, students, community and business members, and municipalities who are interested in sharing their thoughts/suggestions with the PRSD Board of Trustees are invited to attend one of the following PRSD Community Consultations or complete a PRSD Community Consultation Feedback Form that will be available on the PRSD website beginning Wednesday, November 28, 2018.

The November/December 2018 community consultation schedule has been set as follows:

- Wednesday, November 28, 2018, at Miami School (7:00 p.m.)
- Wednesday, December 5, 2018, at St. Francois Xavier School (7:00 p.m.)
