

PRSD personnel who wish to use available electrical service for either car block heaters and/or interior heaters shall be charged a fee sufficient to cover the cost of electricity. This fee shall be determined periodically by the Board and shall be based upon current hydro rates and estimated electrical consumption.

In locations where the electrical service is sufficient to carry the load, personnel shall be given the option of utilizing electricity for either block heaters and/or interior heaters with a separate rate established for each.

Electrical service will be available for the period November 1 to April 30.

The electrical service fee will be deducted from the January pay cheques each year.

These amounts are to be periodically reviewed by the Board.

The current fees (2005-2006 school year) are:

\$45.00 Block Heater Only

\$70.00 Block Heater and Interior Warmer
