## PRSD COVID-19 UPDATE #7 STAFF INFORMATION UPDATE

Prairie Rose School Division (PRSD) is committed to enacting preventative measures that are aimed to slow down the spread of COVID-19 and to minimize its impact on our health care system, emergency response personnel, and in our communities.

When PRSD needs to communicate COVID-19 organizational decisions, those decisions will be communicated to PRSD staff, parents/guardians, and community partners with a "PRSD COVID-19 UPDATE" through our PRSD School Messenger system and with a website post.

Employee and public health and safety, as well as maintaining essential service, is our top priority. As such, effective **March 23, 2020, and until further notice**, all PRSD facilities will not be accessible to the public. Members of the public who request access to the listed PRSD facilities must make an appointment by calling/emailing each PRSD facility.

All public access to any PRSD facility must be approved and coordinated by the facility's supervisor. Public access to PRSD facilities will be limited to the hours of **10:00 AM to 12:00 PM, and 1:00 PM to 3:00 PM**. These hours may be reduced pending COVID-19 developments.
