

The Board recognizes that students can make a significant contribution to their community by volunteering for worthwhile causes or organizations. The civic skills, knowledge, and attitudes obtained from such community service activity can increase a student's self-esteem and maturity, and provide more awareness of the needs of others in the community.

Accordingly, a credit may be available to a student who participates in such activity in the senior years for graduation purposes. The granting of such credit will conform to the guidelines contained in the document. Increasing Choice and Flexibility: Changes to Senior Years Graduation Requirements Status Report (June 2002).
