

In instances where a school team or a student is representing the Division or the Zone in finals at the provincial level, the Board will provide support toward part of the costs for attending such competitions.

Application for support must be submitted to the Secretary-Treasurer's Office prior to the event, stating the competition, the date and location of the event, as well as a list of the student participants, coaches, managers and supervisors.

Financial support will be provided for:

- Transportation based on the lesser of the cost of transportation by divisional school bus, or mileage for private vehicles to transport the coaches and the team members;
- Hotel rooms for student participants on the basis of four students per room;
- A maximum of two hotel rooms for coaches, managers, and/or supervisors.

PRSD may also, at its discretion, consider applications for support from division teams or students selected to participate in national competitions.
