

Staff/Trustees/Volunteers Travelling No Coverage for 2021/22

Dear Staff, Trustee, and/or Approved Volunteers,

Due to the COVID-19 pandemic, the Prairie Rose School Division **has decided to opt out of the Staff/School Trustee/Volunteer travel health insurance for the 2021/22 school year**. This means there is no Manitoba School Boards Association (MSBA) coverage for travel health insurance to cover Staff, School Trustees and/or Approved Chaperones when travelling outside of Manitoba on School Division sanctioned trips/activities; for example field trips, team sporting events, cultural exchanges, international student recruiting and/or conferences.

If any travel is being considered at any point between September 1st, 2021 and August 31st, 2022 you **MUST** contact the Prairie Rose School Division for approval prior to booking. If approved, the Prairie Rose School Division will arrange the appropriate insurance coverage.

If you do not contact the Prairie Rose School Division in advance of booking travel, staff/school trustees/volunteers **will not** have coverage while traveling and **will be held liable** for any emergency medical costs.

Should you have any questions, please contact the Prairie Rose School Division Office at 204-745-2003 or HUB International at:
