

PRSD supports schools who host Manitoba High School Athletic Association (MHSAA) provincial play-offs.

We recognize that a significant commitment is required from staff, students, and the school community to organize and host a provincial event. Schools participating in these events provide their school community an opportunity to showcase their school, and provide their students and staff an opportunity to demonstrate leadership at a provincial level.

Application Process

Prior to applying to host a provincial play-off competition, principals will forward a letter of request for approval to the Superintendent/CEO. The letter of request must include the following information:

- Date
- Sport
- Agenda
- Breakdown of estimated costs and other sources of financial support

A maximum of \$1,500 will be provided for an approved event.

Student and Staff Participation

Schools are encouraged to:

- Have staff, student and community support of the event
- Maintain regular classes during the hosting of the event

This procedure covers MHSAA provincials only. For any other request for hosting of provincial extra-curricular or co-curricular events, a letter of request can be sent to the Board, for a decision on a case by case basis.
